

Commissioner's Meeting & Rally

**Monday
April 27, 2009
11:00 AM**

**Third Floor Administration Building (Old Court House)
211 W. Main Street
Stanton, MI 48888**

The Animal Control Ad Hoc Committee will be presenting its Implementation Plan for the Montcalm County Animal Shelter and making its recommendation regarding the contract with the class B dealer. We expect the commissioners will vote on the plan and the contract at this meeting. Please come and help us speak for the animals who cannot speak for themselves.

We think the vote is close and we have a chance of ending pound release in our county, but nothing is certain until the vote. **Your presence helped us the first time and we need you again.** Even though the commissioners claim to not want to hear from people outside the county, the truth is that what others think of our county is important to them and does have an effect on their decision making, so please come if you can.

MCCA and CCC-Montcalm will be holding a rally on the Administration Building lawn from 11:00 AM until NOON. The rally will be in support of ending pound release and to acknowledge all of you who helped get us this far. **We could not have gotten to this point without you!** Our goal is to conduct a peaceful and positive demonstration. You can bring your own sign if you wish, but we will have signs available. We want to make one last effort to sway some commissioner while not offending those who have been with us from the beginning.

The county has asked that we not park in the small parking lot immediately west of the Administration Bldg. to allow other residents to access the building.

It is possible for the site of the meeting to be moved depending on the number of people who show up. If we get any information regarding a change, we will post it on our web site www.cccmontcalm.org.

**This is it folks! Let's give it all we've got!
For the Animals!**
